Dear Mr. Horstmann,

On behalf of the New York State Division of Service-Disabled Veterans' Business Development (DSDVBD), it is my pleasure to inform you that Mass Tank Inspection Services, LLC has been certified as a New York State Service-Disabled Veteran Owned Business (NYS-SDVOB) and is now eligible to participate in New York State's Service Disabled Veteran-Owned Business Enterprise Program in accordance with Executive Law Section 369-i(5). The certification is valid for five (5) years pending compliance with the conditions set forth in the published rules and regulations.

Please feel free to proudly display the enclosed Vendor Certification Certificate and the NYS SDVOB logo (to be sent via email). Also, please visit <http://ogs.ny.gov/Core/SDVOBA.asp> to ensure that your business is listed correctly in the DSDVBD directory of certified SDVOB businesses and immediately notify us of any needed changes and/or corrections. We highly recommend that you register for email notifications of contracting opportunities with the New York State Contract Reporter at <https://www.nyscr.ny.gov/>.

While Mass Tank Inspection Services, LLC has been certified as being currently in compliance with the regulations, you must inform DSDVBD of any changes or other circumstances that might adversely affect its eligibility within thirty (30) days of the occurrence. Additionally, you are required to complete and return, on or before the stated deadline, the quarterly reports that will be sent to you by DSDVBD. Failure to comply with either of these requirements or with any post certification audits may result in de-certification actions being initiated by DSDVBD.

Thank you for your service to our country and congratulations on your certification! We look forward to working with you and request that you seek to employ veterans whenever possible as you grow your business.

Respectfully,

Kenneth E. Williams  
Director
